

GREAT NEWS!

The children at Cataloi Kindergarten and Primary school have been visiting Casa Valentin two days a week now for about four years and always enjoy their visits very much. This is part of their community education programme. Indeed, they enjoy it so much that the news has spread to two other villages in the communa and they want to join in the programme too!

When they arrive, the children have a topical story (no doubt the Christmas story at the moment) followed by various appropriate activities, including making and decorating Christmas tree cookies and eating them!

Craftwork is always popular, and their visit ends with group games, before returning to their schools on the local authority bus.

We praise God that so many children are visiting Casa Valentin during school term time, and learning about God's love for them. We thank all of you who support this work and wish you every blessing in 2018.

THE NEWSLETTER OF THE SUNFLOWER FELLOWSHIP ROMANIA
— CHRISTMAS 2017 ISSUE 48 —

A HAPPY CHRISTMAS
TO EVERYONE FROM ALL AT
CASA VALENTIN

The lorry with 4 crates of shoeboxes arrives at Casa Valentin to the great delight of the Social Programme children, who set to with Ani to unload 312 shoe boxes ready for sorting and distribution.

We were so pleased to be able to send enough boxes for every child in the Kindergarten and Junior Schools in all 4 villages that make up the local 'communa'. We were also able to give boxes to all the boys and girls in Cataloi aged 11-14, but were 42 short of giving one to all the children of that age in the other villages. If any churches or groups feel they would like to help with this shoe box appeal next year, please get in touch (address on back page), we'd love to hear from you.
