

Gabriela has had as many as 32 children a week staying at Casa Valentin during the summer visit of holiday children. It is wonderful that we can give so many children a holiday, but the extra cost involved places quite a strain on our funds. Any help you can give towards this would be much appreciated.

# SUMMER HOLIDAYS AT CASA VALENTIN

Up to the end of July 119 children have had a holiday at Casa Valentin. Some have been gypsy children, others with special needs and one group from a poor village church.

Midday temperatures have been very high this year in Romania too. The gazebo and the cool indoors have been most welcome, as have ice creams and candy floss!
