

GAZEBO RENOVATED AND NEW PLAY EQUIPMENT INSTALLED

Our thanks go to the Men's group from The Church on the Heath in Fleet for their

hard work in renovating the gazebo, and installing outdoor electric circuits when they visited Casa Valentin for 4 days in May. They also built new play equipment, including a climbing frame and seesaws.

MORE THANKS

to everyone who has ordered things from Amazon using the 'AmazonSmile' app. Please continue to publicise this among your friends and neighbours, especially with Christmas approaching.

Thank you also to all the knitters who have been busy providing mittens for shoe boxes, along with hats and scarves as well. Please keep up the good work! They will be much appreciated by the children in the cold winter months to come.

THE NEWSLETTER OF THE SUNFLOWER FELLOWSHIP ROMANIA
— SUMMER 2019 —

Casa Valentin was much cooler this summer.

Thanks to a generous grant from the Swiss charity "The Herrod Foundation" the external walls at Casa Valentin have been insulated. Thick insulating sheets have been applied to the exterior walls of the house, and fixed with metal bolts. The walls were then sealed and painted with a protective paint. This has made the interior of Casa Valentin much cooler in summer and will be much warmer in the coming months. It will also save us a good deal in heating costs. We are so grateful to Pastor Adrian and Costel, along with other helpers for completing this huge task.

"Let us give thanks to the God and Father of our Lord Jesus Christ! Because of his great mercy, He gave us new life by raising Jesus Christ from death. This fills us with a living hope." — 1 Peter chapter 1 verse 3 —

CHILDREN VISIT CASA VALENTIN FOR THEIR HOLIDAYS

Families also have fun.

Children who never have a holiday have enjoyed the indoor facilities at Casa Valentin again this year, including decorating bags to take home.

Arriving by bus is exciting, and when the sun has not been too hot, they have also enjoyed being outside on the play equipment.
